Beth-Am Preschool is happy to announce that Wishing For Mommy, HU Lee Foundation and ATA will be granting a wish for a lady who has been the guard at Beth Am for over five years, and who was nominated by the student body. This is the first time a school nominated a mother with breast cancer.

The Wish Warriors – Mike Chat (Blue Power Ranger, founder of XMA and the girls coach - www.chanomipr.com/mike.htm), Channah Zeitung (youngest champion martial artist) and Rayna Vallandingham (youngest World champion with 11 titles) will give a pink belt demonstration before the grant is awarded. Master Shannon Coffee will also be there representing ATA and the HU Lee Foundation (she is the highest ranked woman instructor in the San Diego area her school is in Oceanside).

The event will take place on Jan. 17 at 12 p.m., at Beth Am Pre-School, 5050 Del Mar Heights Rd., San Diego, CA 92130.
